

BioEM Talks

Collaborate, Explore, Innovate

A series of mini virtual conferences to be held on:

July 30th, August 6th, August 13th, August 20th

10 AM to 1 PM, EDT (2 to 5 PM, GMT)

Each series will include:

- 90 min live presentations by three invited speakers
- 90 min self-planned visit to BioEM Virtual Town Hall where participants can chat with speakers, visit vendor exhibits, attend tutorial, and virtual demos.
- Participants who wish to present their own research can request a presentation booth in BioEM Town Hall.

BioEM Talks are organized by [Ru-ching Hsia](#), U Maryland Baltimore; [Claudia López](#), Oregon Health & Science U; [Marcela Redigolo](#), West Virginia U; [Han Chen](#), Penn State College of Medicine; [Joe Mowery](#), USDA Agricultural Research Service; [Tom Strader](#), Midwest Lab Robotics Interest Group (MWLRIG)
